

Amanda D. Baxter

March 11, 1989 - September 2, 2025

Amanda Dawn Baxter, 36, of Green Bay unexpectedly went home to be with Jesus on Tuesday September 2, 2025

Amanda was born on March 11, 1989 to Patrick & Jacquelyn Baxter.

Amanda graduated from New Lutheran High school and earned her degree in Criminal Justice/Forensics at NWTC with honors. She was employed as a quality coordinator at Little Rapids/Nexxa. Amanda was always smiling and had a contagious laugh. She appreciated everything and took pride in treating people with respect. She loved her very close-knit family. She Enjoyed decorating and maintaining her home. You could always make her smile with cheese curds, breadsticks or a chocolate shake and a Whatchamacallit candy bar; but company chicken trumped them all. Amanda enjoyed making encouragement cards for chemo patients and scrapbooking with her mom, sister and niece.

Amanda will be greatly missed and remembered by parents, Pat & Jackie; Her sister Sarah (AJ) Schirtzinger, Nephew Carter and Niece Lilly, and the light of her life, her kitty she affectionately called Stormie as well as many aunts, uncles, cousins, friends and her special friends, the Pierre family.

Meeting her in heaven were grandparents Aurel & Doris Baxter, Paul & Myrtle Lambert, Eleanor Carnell, Aunts Carol Baxter and Mary Baxter, many friends and relatives and April Schirtzinger.

“ Amanda was one of the first people at work (Nexxa) to effortlessly prove what a kind and caring individual she was and quickly became someone that I would enjoy countless laughs and memories in the too brief time we spent together. Even in the most stressful and difficult challenges that the simple day to day work life can bring, we usually could just look at each other and raise an eyebrow and try to hold in a laugh. Sometimes we were not all that successful hiding our giggles. This week, the building was not the same without you. I appreciate you and the chance of getting to know you. Until we meet again 💕💕

“ The world is a brighter place because Amanda existed, and dimmer with her loss. I am thankful that I was able to share space with her, and I will always treasure the memories of enjoying a cup of tea together, or figuring out the best way to get Culver's cheese curds delivered for lunch. My deepest condolences to her family—Jackie and Pat, you are now and always held in my heart, and I mourn with you.
