

Barbara A. Shadis

January 9, 1939 - September 27, 2020

Barbara Shadis, 81, passed away peacefully on September 27, 2020. She was a fiercely strong, hard-working, liberal-minded woman, who triumphed over great adversity in her life. As a devoted mother, grandmother, friend, and talented artist, she graced many people's lives with her beautiful artwork, sharp-wit, actions to help those in need, and care of Mother Nature. Although there is no formal service, she would appreciate a donation in her name to the Sierra Club.
