“ We are so very sorry to learn of Bonnie's passing. She was a dear love to us here at The Red Ribbon in Cleveland. She shopped with us but she also visited with us. Almost every Saturday she came by just to chat and visit. She was a joy. We have missed her for the past year and didn't realize she had moved to Wisconsin. She loved her family very much and shared stories with us on each visit. We feel that we know some of you through her stories. She was especially proud of her "new car" which she drove over the first day to show us. Any Willow Tree figurines that she gave as gifts she probably purchased here at The Red Ribbon. You are in our prayers
