“ To Carolyn's girls, Family and Friends,

As soon as I saw your Mom's smiling face, it brought back pleasant memories of parent-teacher conferences and other places we'd run into each other. "Lovingly remembered and deeply missed," says it better than any words I come up with. Please know that all of Carol's finest qualities will Live-On with all who knew and loved her!

“ My deepest condolences to Carolyn's family. Carolyn and I were friends in high school. After high school we lost touch. Many years later we were reconnected at KI and rekindled a friendship which began back at West High school. Carolyn is beautiful lady and she deeply loved her family and friends. She will be missed and I am very proud to call her my FRIEND.
