

Mr. Charles "Chuck" C. Shevey

July 23, 1954 - November 17, 2018

Charles Chester Shevey (affectionately known as Chuck, Chucky, Chucky Poo, The Chuckster, Uncle Chuck, Cheeby, Chaz, Chazmo, The Man with the Tan, Dad, and Dadster), 64, passed away peacefully at home on November 17, 2018. Chuck was born to Chester and Elizabeth (Hohlweck) Shevey on July 23, 1954 in Milwaukee.

Chuck is survived by his beloved children Trevor "Tre-vorrrrr", Taylor "Tay Tay", and Tristen "Trissy" Shevey, father (Legendary) Chester Shevey, sister Nancy Isaacson, former wife Maureen "Little Mo" Mulvaney, and Trevor's long-time girlfriend Jessica "Jess-ieeeee" Jacobs. He is further survived by many family members and friends, including longtime friend of 50 years Chris Schaefer.

He was preceded in death by his mother Elizabeth "Betty" Shevey and brother-in-law and partner-in-crime Mr. Scott Isaacson.

Chuck graduated from Brookfield Central High School in 1972. He went on to attend and graduate from Marquette University as a structural engineer in 1980. He was a successful salesman who owned several car dealerships with his father over the years, including Shevey Motors and Glendale Sports Cars.

Chuck loved a well-manicured lawn with perfect diagonal mow lines. He loved

going out to dinner, summers in Door County, and drinking old fashioned and martinis. He loved the camaraderie of bringing people together with food, and was often referred to as "The Food Pusher." He loved cars, cats, and kids. He had a passion for lifting weights and exercising. He loved playing "Bloody Murder", grilling in the summertime, and wearing turtlenecks, khakis, and loafers without socks. He loved making others happy, checking in on loved ones, and taking care of people. Above all, Chuck loved his children.

Family was everything to Chuck. For the last 10 years of his life, he lived with and took care of his father in West Bend. They shared a unique and special relationship including cars, cocktails, and conversation. They enjoyed attending church at Salem United Church Of Christ, where they had potluck dinners, played cards, and visited Betty's grave.

“ Dear Chester, Maureen, Trevor, Taylor, and Tristen,
We are so sorry and very sad to hear about Chuck. We have so many fun memories with him and your family! The great cars he sold us, times at the Highlander, trip to the Dells and many fun moments hanging together when the kids were little. His smile was contagious, and he always tried to make sure we were all taken care of and happy!!! Our prayers for comfort and peace are given to you all. May all the awesome memories you have help you through these difficult times💕 Our whole family is out of town this week, we are so sorry we can't make the services. God bless you all. Love

“ I met Chuck, Chucky/Chaz, in the spring of 1976 in the library on the University of Wisconsin Platteville campus. He was a charmer pursuing me despite the fact I had a boyfriend at the time. On our first date he took me in his red corvette to a deserted field with flowing long grass and a stream running through it. It was a beautiful, warm spring day. I remember the day vividly as we spent time laughing and learning about one another. We moved together to Milwaukee the following year where I attended the University of Wisconsin-Milwaukee and he Marquette University. Ours was a roller coaster relationship that ran its course in divorce after several years of living together and one year of marriage. I've often felt since that I needed the experiences, some so difficult I thought I'd break, to help me realize what I truly wanted in a relationship. I remember the good times and good memories: the love, and the laughter. I'm so contented to know how much he valued his children. To know he lived with his father and cared for him (such fond memories of Chet and his jokes). To know that he found pleasure and commitment with his family. My deepest condolences to his family and friends.
