“ Dean was a very benevolent person (my buddy; I loved this guy) and obviously a talented bassist that I am very proud to have played with!! I and he hit it off right away... I met him through "Michael" Tito Bopp then he lended his skills to my studio solo project D.S.L./Corporate Angel on multiple occasions. In 2011, he and I formed S.N.A.F.U. in Milwaukee, WI - I cannot say how saddened I am hearing of his passing!! RIP Brother Deano!! \m/
