“ Nancy and children, you have our sympathy! My dad would have been excited to see Don! Sorry, Nancy. The two of them will be having lunch together without you.... I can still see Don tooling around outside at Bellevue on his motorized vehicle. What good friends you both were to my dad. May you have God's strength in these next days.

“ Dear Aunt Nancy and cousins,

I'm so sorry to hear of Uncle Don's passing. My thoughts are with all of you. The wonderful photo of Uncle Don evoked immediate memories for me. I could hear his voice and see that mischievous twinkle in his eye as he chuckled at one of his quick-witted remarks. I know you have a lifetime of cherished memories that will give you comfort going forward.

I send my love to all of you.

“ *What a beautiful obituary & tribute to Don! Its speaks perfectly to the great man he was. I believe that he & mom (Sharon) are up in heaven smarting off and each other in their usual witty ways! Those two were a lot alike in their ability to respond with their quick-witted humor! He is surely proud of his children & grandchildren for all their amazing accomplishments! Don will be missed, but forever remembered! Love you all! Shell*
