“ Chuck was my dad. He's the man I strive to be like. His love and patience was unbelievable. He was kindhearted. He loved his dog, a german shepherd named Kita, staying up to date on politics, and most of all his wife and family. Anytime we needed to talk he'd always be there to listen. He'd always offer amazing advice. He is missed every single day. I will be an old man one day still missing his dad. Thankful to Jesus for placing him in my life.

“ Mr. Conn was one of the most down to earth teachers/principals I've ever had. I remember he would pitch for us during our middle school lunch period, he'd always do tricks with the ball. Or he'd pop in on our school buses after school to make sure everyone was behaving then would do tricks with the ball, he was always carrying that ball around. He was one of those teachers who made kids feel special, the kind of teacher kids need. He will be missed.

Chuck was a great support to me and “big brother” when we went to UW-Oshkosh in the early 90s. I will never forget his kindness and wisdom as I started college I'm very naïve freshman. He was A junior at the time and would give me rides home to White lake on the weekends and take me back Sunday afternoons to school. I'm on most times he was a baby to pride me insight and wisdom into what I should do a college socially and professionally. I always remember him fondly.

To Jim, Donna, Geraldine and all the rest of Chucks family. I am so truly sorry. Chuck has been my friend for 65 years. We went to school together for 12 yrs. I always looke for him at the legion picnic around the lake. His beautiful smile lit up a room. We always thought of each other on our birthdays, mine was the 16th and I always reminded him that I was older than him. He was without a doubt one of thee nicest, genuine guys i had ever known. My heart goes out to all of you. He will always be in my prayers. Gods love and peace to all of you. RIP Chuck, i will never forget you. Alice (Bricco) Heintz
