February 14, 1947 - February 5, 2025

Donna VandenBusch, 77, passed away on Wednesday, February 5, 2025. She was born on February 14, 1947 to the late John and Lillian (Lewis) Pompa. Donna was employed by Diana Manufacturing as a lead operator until her retirement in 1987. In November of 1975 she married Jerry VandenBusch, sharing 49 years of marriage until his passing in November 2024.

Donna enjoyed spending time with her grandchildren and great-grandchildren. She also enjoyed cooking, sharing many of her recipes with her daughter-in-law. She received a kidney transplant in 1999, always thankful for the gift she was provided, becoming an advocate of organ donations. This gift allowed her to share 24 years with family and friends she may not otherwise have had the opportunity.

Donna is survived by her children: Brad (Shannon) Crossman, their children Morgan and Jocelyn, daughter Kelly (Tom) Stahl and children: Tyler, Sierra and Alexis as well as two great grandchildren Ariella and Emersyn. Donna is further survived by her sister-in-law Sharon Mitchell, sister Shirley Vandeburgt, brother Carl Pompa, nieces, nephews, other relatives and friends.

Donna is preceded in death by her beloved husband Jerry, her parents and ten siblings.

Donna's family would also like to extend their sincere gratitude to Carol and Ron Lemirand for your time and support as well as Molly and Catrina from Bristol Hospice.

A gathering of family and friends is being planned for a later date

“ Dearest Donna. Our privilege to walk alongside you and Jerry these last view years. We always wished we could have done more. What a joy when we'd get in the car and "go wherever the car took us." It was so fun to sing and laugh together. You'll always be in my heart, especially when I eat a cheeseburger or have a milkshake. Rizzo was always ready to see you. Fly high and be ready when we come to be with you.
