“ *My sympathy to Dottie's family. She was great fun to work with at The Compass newspaper and had such a great sense of humor. I liked sharing stories with her about Lakewood and hearing about her trips to Florida. And about the Packer games! I also enjoyed Rodney and his wry sense of humor. Great people who blessed the world around them!*

“ *I love you, Mom. Now you and Dad can go square dancing again! Bridge with Gloria Crabbe, Mary Sweete but who is the fourth? Or, poker? You loved seven-card draw, high-low split! And root beer floats! And you are with your sisters and their husbands, too. Now you can hear all the jokes that Dad has been telling to Aunt Alla.*

Even though the last couple years have been painful and difficult, you are now at peace. Many times you said you were thankful and grateful to Renee! Me, too. She is a special lady.

*We love you Mom and will always miss you.
Thank you for everything.*

*Love
Anne*

“ *My sympathy to Dottie's family. Great woman. I enjoyed working with her in the Tribunal for many years. I loved her humor! It was an honor to be with you at the hospital for the anointing and prayer. She is back with your Dad and most of the Tribunal staff she worked with, including Dolly. In prayer.*
