

Mr. Duane H. VandenAvond

February 13, 1964 - January 28, 2025

Duane H. VandenAvond, 60, Green Bay, unexpectedly passed away on Tuesday, January 28, 2025, along with his canine buddy Benji. Duane was born on February 13, 1964, in Sheboygan, the son of Sharon Champeny and Leroy VandenAvond.

Duane loved spending time outdoors whether it was out by the water or camping and sitting by the bonfire with his family, he always found the beauty in nature. He enjoyed going with Sandra to Door County and always seemed to find the perfect sunset. Duane loved taking pictures and could always be found with a camera making memories of the nature shoots or the smiles on his families faces. Duane and Benji could most often be found side by side, from the many car rides, walks, being at the dog park together, or sharing ice-cream- they were inseparable. He also had a fond affection for Dolphins. Duane cherished his family and loved spending time with them, especially his grandkids. Duane was a loving best friend, father, grandfather, son, brother and a friend to so many and will always be lovingly remembered and sorrowfully missed.

Duane is survived by: one daughter: Morgan VandenAvond, one son and daughter-in-law: Nathan (Unique) VandenAvond, two grandchildren: Nash and Beau VandenAvond, his father: Leroy (Ellen) VandenAvond, his two siblings, his dear friend: Sandra VandenAvond. He is further survived by nieces, nephews, other relatives and friends.

He was preceded in death by his mom.

In accordance with Duane's wishes private services will be held for the family.

Tribute Wall

SS

“ Duane was a good man and shared his life's struggles and victories with many of us that knew him. He will be dearly missed. Sean S.

DS

We met Duane several years ago and he was always ready and willing to help my handicapped husband Bill getting about with his walker in so many situations, joined us for lunch many times at Bay Family and Golden Basket Restaurants and joined us at our home to watch many 🏈 Packers games over the last several years. He was mostly a happy, quiet, thoughtful gentleman and often shared his love for his entire family.

We extend our sincere peace 🕊 and serenity, sympathy and condolences to his Vanden Avon family and Duane's many shared dear friends. 🙏📍🙏
