

Eva Mila Nazario

April 29, 2024 - April 29, 2024

Baby Eva Mila Nazario was stillborn on Monday, April 29, 2024 at Aurora Baycare Medical Center, Green Bay.

Eva is the beautiful daughter of Oscar and Frances Nazario; beloved baby sister of Micah and Levi. She is further survived by grandparents, cousins, other relatives and friends.

She was greeted in Heaven by her grandfather Wilfredo Nazario Ramirez and great grandparents.

Although Eva's time was brief, we hold on to faith and the confidence in the hope that we will see Eva again when we enter heaven. Her memory has left an everlasting impression in the hearts of her family.
