

## Evelyn Metcalf

May 1, 1914 - March 1, 2010

Metcalf, Evelyn H. (Hoelter) Evelyn H. Metcalf, 95, died peacefully in her sleep on Monday morning, March 1, 2010. She was a resident of McCormick Memorial Home in Allouez these past few years. The assisted living facility was much more than a lovely home for her and she often said the residents and staff were like her family. She was born in Granite City, Illinois on May 1, 1914 to the late John H and Emma (Mombert) Tappel. Evelyn moved to Huntington Beach, California in 1965 to marry her childhood sweetheart Alfred (Jake) Metcalf. Their retirement years included living in Las Vegas, Nevada and north central Illinois and traveling the world. They enjoyed many summer years at the family cottage near Gordon, Wisconsin. She loved her family, Jesus Christ as her Savior and the wonderful staff and aids at the McCormick Memorial Home who treated her so lovingly. She will be greatly missed by everyone that knew her. Evelyn was preceded in death by her husband Jake in 1995. She is survived by her children, Gene L. (Diana) Hoelter, New Franken; Dean C. (Judy) Hoelter, Orange, Texas; John H. Hoelter, Gordon, Wisconsin; James F. Hoelter, Spring Valley, Illinois; 12 grandchildren, great-grandchildren and great-great-grandchildren. A Memorial is planned in May 2010 to recap memories of Evelyn's past adventures, her favorite cabin in the pines and family that Evelyn and Jake enjoyed through the years.
