

## Fed Abarca

November 29, 2000 - February 22, 2019

Federico "Fed" Abarca Jr., 18, Green Bay, was welcomed into Heaven by his grandparents and will forever be embraced by his loving grandmother's arms. Being his mother's oldest, Fed was born on November 29, 2000; Green Bay, Wisconsin. A senior at Preble High School and scheduled to graduate in June, Fed was excited at the thought. He undoubtedly loved the times spent and memories made with his classmates. He always had a smile on his face, shared a friendly word to those he passed in the hallway, and was an exemplary student-athlete. He excelled at basketball, football, and track and field. Fed was a true leader both on and off the field and court.

Fed is survived by his mother, Concepcion, who loved him dearly and was so very proud of him, two sisters Bianca and Kimberly, and brother Willy. He is further survived by many loving aunts, uncles, cousins and other relatives and friends.

He was preceded in death by his maternal grandparents Concepcion Santana and Cruz Medina

A gathering of family and friends will be held from 2:00 P.M. to 6:30 P.M. on Monday, March 4, 2019 in the Community room at St. Willebrord Catholic Church, 209 S. Adams Street. A Funeral Service will be held at 7:00 P.M. with Rev, Andrew G. Cribben O. Praem officiating. The family would like to offer a

special note of appreciation to the many people who've shown their love, support, and demonstrated the true aspect of caring during this time. From his family to Preble High School, his many friends, especially the Johnson family and the community as a whole, your kindness will never be forgotten and will remain in our hearts. Those that knew Fed, know how special of a person he was, and he would not want you to cry for him but to remember him and think of a way that he touched your life. In Fed's own words "Let's be better!"

“ Fed always had a way of cheering me up. Sometimes he'd even make me mad on purpose just so he could see what he had to do to make me laugh. I'll never, ever forget you Federico. Forever in our hearts. <3

“ Kiki I know you can't read this but man I love you so much! You, Chacho, Anthony, Nacho & Isabella were my favorite cousins. ( sorry if I offended anyone lol) You just started your life & it got taken away before you can even live it. That's what breaks my heart the most. If I could switch places with you I would in a heart beat because You deserve to be here doing all the great things you planned for. I'll always remember you for your smile, humor, & big heart. Continue to watch over us as we continue to live for you papi <3 God sure is lucky to have you with him right now.
