“Giles was my uncle and godfather. He was a kind and wonderful man. I remember his hearty laugh, sense of humor, and the twinkle in his eye. I didn't have much contact with Uncle Giles in several years, but I do remember talking with him for quite a while at my mom's funeral last year. I was shocked to hear of his passing. My condolences go out to cousins Mark, Karen, Diane, and Joan. So sorry!

“ Dear Karen and Family,

*Your father and mother visited Nick and me on a road trip probably to NC a long time ago. it might have been even before your wedding. Neither Nick nor I can remember the circumstances. The visit was a surprise, a delightful one. He and you mom were both so warm and friendly. I remember he kind of entertained us with stories. Your parents made us feel so special.*

*I have a vague memory that we sat in your dining room and that it was soon after we bought the dining furniture: I don't think we had any living rom furniture yet. Ever since that visit I've felt your parents were indeed special, and I knew they were part of the reason you are so outgoing and special.*

*Today I'm going to a funeral of a long-time work college, mentor and friend. I'll also be thinking of you and your family.*

*God bless, Jan*
