Heather Besaw, 74 passed away peacefully on Saturday, November 21, 2015 at Angels Touch Assisted Living in De Pere. Heather was born on June 24, 1941 in Green Bay the daughter of the now late Donald and Dorothy (Toule) Fairbairn. She was a graduate of Green Bay East High School with the class of 1960. On April 27, 1963 she married Ken Besaw at Saint Mary of the Angels Catholic Church. Heather loved her family and always cherished the times together and never turned down an opportunity to spend quality time with her children and 4 grandchildren. She liked to travel with Ken and good friends to warm destinations. Heather enjoyed weekends at their cabin relaxing and reading a good book. She was active in volunteering with Love Life Ministries for many years. Heather always enjoyed good dinner out and great times with friends whether it be celebrating New Years at Rene's Dining Room in Crivitz or hosting a Packer Party. She was never without a dog and it gives us much comfort knowing that she will be greeted by her furry friends that she loved so much throughout the years.

Heather is survived by her loving husband Ken, one son and daughter-in-law Jeff (Annette) Besaw, one daughter Karie Besaw and her significant other Mark Anderson, 4 grandchildren Miranda, Haley, Ian and Zackery, one brother and two sisters-in-law Bill (Lea) Fairbairn, Charlotte Fairbairn. “*Heather and I were the best of friends. We both worked at Eisenhower Elementary together and had many laughs over the craziness of elementary school age children. We saved our money (she always kept hers in the freezer) so Ken couldn't find it so we could splurge on a hot dog once a week for lunch. We also worked a Christmas season working at shopko. Grueling as it was, we stuck it outj and of coarse laughed ourselves sick over the hideous night time shoppers. One night on her way out to her car she heard a faint voice saying could you help me please. After looking all around in the gusty wind late night she spotted a guy stranded way up on the shopk sign with his latter blown down in the wind. She tried to pick it up , but just couldn't do it with the wind. I believe she called a police officer to help the guy. After that whenever we called each other, the conversation began with " could you help me please " and then you guessed it, we laughed. God bless your beautiful soul my dear friend.*
