“ *Dear Huibert,
I never really told you how much of an impact you had on my life.
And there isn't a day that goes by that i haven't stopped thinking about you.
Words can't explain how much i loved you as a step father.
You taught me so much, and even though you're gone you'll never be forgotten.
Your family traditions were always my favorite, especially your family.
I considered you the father i never had but always wished to have.
I'm so sorry, I love and miss you deeply.
Love, Yasmeen Umanzor*

“ Huibert... There are no words that can explain the emptiness and confusion I have in my heart.. You were such an influence in my life. I remember the day I handed in my application for McDonalds and it was you that told me to come back and I'll talk to Nancy.. You trained me as a crew trainer and even as a manger!! Your the one who told me that I was going to be promoted, your the one who did my certification and passed me so I could be a manager!! Then I got the privilege to be in your department and truly help support you. I remember the day I put in my two weeks and you were sitting in the office. I told you with tears in my eyes that I was going to miss you the most. I told you how much you ment to me and how you tought me everything I know. I'm good at what I do because of you. I miss yoy and I wish I could tell yoy this again. You will always have my love and respect Huibert! Forever and always!

“ My condolences go to Mary and the family. He is and was a great person. Always knew how to brighten others day. I had the pleasure to get to know him for 3 years and he always had something to share with the McFamily. He was a great person with a sense of humor, respect, and kindness. This all came as unexpected and what has hit me the most was that I was one of the few that were able to see him Friday night. He will be missed.
