“ My condolences to Dave, Tracy, Forrest and the family. It has been a pleasure knowing Jacque. I will always remember how much she loved my pumpkin cookies every year during the holidays. She was very pleasant to be around and knew she was very much loved. You will all be in my prayers 🙏🙏

Dear Dave, remember me? It's Peggy (formerly from the Aurora Suamico clinic- I retired) I think of you often and the talks we had about everything from fishing, your homemade ice fishing shantie, visits with Jacque, caring for loved ones with dementia, losing my mom to dementia, retirement- you told me to embrace it and live for today and enjoy every minute of it. I listened to every word you said and I am grateful for your wisdom, your deep love for Jacque, your perspective and perseverance. I am so sorry to hear that Jacque has passed on. Please accept my deepest condolences. She was a sweetheart who adored you and I know how deeply you loved her. May she rest in eternal peace.
