

Mr. James "Jim" A. Bomkamp

March 16, 1954 - November 22, 2023

James "Jim" A. Bomkamp, 69, passed into the loving arms of Jesus on November 22, 2023 after a courageous 6 year battle with melanoma. He was born and raised in Winslow, AZ, His life was changed in January, 1974 when he asked Jesus to be the Lord of his life. From that point on Jim's focus was on doing what was right; although not perfect, he continued to strive to always "fall forward", as he would say. He graduated from college in 1977 with a degree in Behavioral Science and Bible, as well as obtaining an electrical engineering degree. He met Jill in 1979 and they married in 1980 in Phoenix, AZ. Jim's greatest priorities were the Lord, his family, his friends, and his music. He pastored 2 churches: one in Helena, MT the other in Green Bay WI, both of which are still active to this day.

Some of his greatest joys were with the people he met during his many ministries. He worked full-time as both an engineer and pastor for many years and played in numerous bands from middle school on, both rock and roll and worship bands. He had an ambitious artistic love, having written and produced two albums, published two books, and at one point created a large cache of artwork. He had a phenomenal way with people. Jill always said he was the most extroverted introvert she had ever seen. Jill and his kids Steven (36) and Alicia (32) were everything to him. Jim loved being involved in their sports activities and encouraging them to excel in whatever they were doing. His quick mind would always come up with puns and laughter was one of the greatest legacies he leaves behind.

He is survived by his wife Jill , his son Steve; his wife Kayla Bomkamp, their children Taryn, Riley, and Deacon, and his daughter Alicia; and her husband Conner Van Lanen, their children Braxton and Myles, his mother Darleon Bomkamp and many, many, many family and friends.
