

## Mr. Joseph L. Kispert

February 23, 1965 - August 18, 2020

Joseph Lloyd Kispert left this world on August 18th, 2020. He left behind scores of people who will remember him for his affable and giving spirit and his great sense of humor. Joe never said no to an invitation for help. Joe knew the Lord and is most assuredly in Heaven this day. He was a lifelong resident in the Green Bay Area having been born here February 23rd, 1965. He will no doubt be remembered by the many kids he taught while serving as a teacher at Green Bay Christian School and by those he ministered to at Cornerstone Church in prior years. Following his years in teaching, Joe worked as a support services specialist to local families. His most recent years were at Innovative Services where he positively impacted the lives of his many coworkers and clients alike. Joe loved geocaching and a good cup of coffee. He enjoyed his visits to community coffee shops, visits with his friends, and his trips with family to Door County. Joe's playtime with Niko the cat and his tinkering with all things technical were also joys in his life.

Joseph is survived by his mother: Rosemary, his brother: Mike, his Uncle Tom. He is further survived by nieces, nephews, other relatives and friends.

He was preceded in death by one uncle: James "Jim" Kispert.

Gathering of family and friends will be held from 11:00 A.M. to 1:30 P.M. on Wednesday, August 26, 2020 at St. Willebrord Catholic Church, 209 S. Adams Street. A Prayer Service will be held at 1:30 P.M. with Rev. Andrew Cribben O.Praem. .

The family would like to offer a special thank you to the first responders and all of the medical personnel at Aurora BayCare Medical Center for all of their efforts. It's just that God had other plans and said "Come home good and faithful servant."

Joseph always gave of himself in life and even in his death he is making a difference as he donated his organs and tissue to those in need and his memory will always live on.

“ *Mr. Kispert had empathy and the insight to recognize the unique potential within each of his students, nurturing their strengths and guiding them through challenges. His passion ignited enthusiasm, turning ordinary moments into extraordinary memories. His commitment, instilled values of perseverance, integrity, and kindness, leaving an indelible mark that extended far beyond his classroom. In times of uncertainty, he provided stability; in moments of doubt, he offered encouragement. His influence resonates through generations, as students carry forward the lessons he imparted, both academic and personal. Truly we miss him. -Former Student, V.H. (Ellenson)*

“ Dear Rosemary, Mike and Uncle Tom,  
My deepest condolences to all of you. I hope that your memories of Joe will bring a smile to your faces and give you comfort. I have fond memories of babysitting for Joe and Mike. Joe was a fun and funny kid. Even as a kid, he was very kind.

Most recently, Joe reached out to me at the time of my dad's passing; just 4 weeks prior to Joe's passing. He offered his prayers and kind words. It was a tremendous support to me. That really said a lot for the very kind person that Joe was.

Please know that you are in my thoughts and prayers. I am very sorry that I cannot be with you at this time due to the Coronavirus.  
Love, Nancy

“ *Joe was one of the most kind and funny people I've ever met. He could bring a smile to any of his clients or coworkers faces with one of his puns no matter how bad the day seemed. Joe was so supportive of my music and was at shows whenever he didn't work. It's rare to find a person so kind spirited to everyone like Joe was. He will be truly missed by many.*
