“ Jim,

I really share in your sorrow in the loss of your mom. She was just like a mother to me; I feel like I've lost my best friend. Aunt Kay was someone I could always talk to. Sure enjoyed our long discussions, just about anything, especially sharing our love for kitties.

She sure had a green thumb and loved the summers for growing many vegetables in her well-tended garden—always so willing to share her harvests. Her hostas and other flowers were beautiful, too.

We go back many years, but really started a wonderful friendship when we would enjoy the bands together, at the local clubs. After that, we enjoyed Christmas/New Year's holidays together. Even after I moved to Missouri to be with my daughter's family, we always kept in contact.

My relationship with Aunt Kay will go on forever. She will remain with me in the wonderful stories and memories I tell about her. Thinking of you and praying for you at this sad time. I miss her so much.

*Love,
Jeanne & Tom*
