“ Hi Sue and Lynn,

I am sorry for your loss of Kathy. Never are we prepared for the loss and the missing of her smile. I remember visiting the house at Ridge Road with our mom and visiting your mom and the family. Kathy was there often and always enjoyed the conversations. When your mom died, Kathy wrote back and told me about her last years. I lost track of Mom when our mom died and your mom moved and I did not know to where. Kathy filled me in too late to visit, but I have great memories of your family and our visits.

i am at work and unable to join you. I had my sixth eye surgery of this year last week and my vision is not the best. I cannot drive at the present moment.

Realize Sue and I are praying for Kathy and for your family. Our family is getting smaller and I am losing track of Mom's relatives as each passes. I am not sure if you remember your mom and our mom, Lorraine Gerrits, were first cousins. I can see your mom laughing and visiting with Kathy and our mom!

Take care of yourselves,

Marianne and Sue Gerrits
