“ So sorry to hear of Klint's passing, I was planning on going to church but with the weather, not traveling. Many good memories of Klint, time spent with his sister, Noreen, when I visited with my grandparents and spent time at his childhood home. Then met up again years later when we both did line dancing. When my husband worked second shift, Klint was my partner for the couple's dances. A very caring and nice person.

Prayers and sympathies with the the family. May God Bless you!

Also sympathies from my mother, Helen (Koss) Fahs. Wasn't going to take her out with these slippery conditions either.
