“ *My Aunt, I was her flower girl, I still have the bracelet with my name engraved on it that she bought me for Christmas one year when I was 11. She trusted me to babysit her babies my cousins. She was there for me in highs and lows, births and death. She always had a smile for me and showed me the bright side. My mom's best friend, a daughter, a wife, a mother, a sister, a grandma. RIP Aunt Kris many many are missing you. Until we meet again. Your forever loving niece, Cindy*
