“ I was saddened to hear of Kurt's passing. He was our neighbor in Oconto Falls as a youngster and was friends with our then 2 boys Tom Cook, Jr. & Tim Cook. May God give you peace and comfort at this difficult time. We also knew Jan his mother. I still live on Farm Road, OF and I remember you and your mother lived across the street on Indianwood Dr.

“ I always looked forward to our cooking segments on Good Day Wisconsin. Chef Kurt made sure each segment was unique. He brought so much joy into our FOX 11 studios. Our viewers loved watching him live on air. I can't believe he is gone, but I will always remember his smile.

“ Your passion and “all in attitude” was inspiring to so many of us! I remember when you were very young and OZZY wasn't coming to Green Bay and you convinced your mom to drive you to Milwaukee and wait in the car while you went to the concert! Rest In Peace brother!

“ He was one of my favorite tenants .. He loved football day, He was most talkative and jolly. Always a “Hey! How are ya doing?” I missed him when he moved, and now he will be missed more than ever, but in a great new home called Heaven. And he doesn't have to do wash anymore. He was wonderful, extremely hard working and reliable.
