“ As part of the St. Luke "Letters of Love" COVID-initiative of the ladies of St. Luke Parish in Carol Stream, Illinois, Laura Lee easily sent well more than 100 letters of amusement and encouragement to the residents at Covenant Living at Windsor Park, a nearby senior living community. Each letter with it's newspaper clippings, funny photos from magazines, and the stories of what she'd been up to and where she went and what they ate spread cheer, mostly to folks who never met her in person. Particularly the people in our memory care just lit up when they heard and saw her notes!

She even came over to attend Mass and join us for lunch a few times during her extended stay with Deb and family. We are so grateful she came over in August just before going to be with her family in Green Bay, and then on to be with her Savior in Heaven!

Her smile and spunky personality were such fun. And what happiness Laura Lee brought to so many through just being herself and doing what she could to spread joy to others. She is missed!

“ My name is Rev. Fr. Benedetto (Father Ben) Paris. I am the pastor of St. Francis de Sales Parish in Manistique where Laura Lee had attended Mass on many occasions. I want to express to her family on behalf of all of us at the parish our sincerest prayers and sympathies to Laura Lee's family. She will be missed. One thing I personally remember is when she used to bring banana muffins to the parish office for my secretary Julie Knuth and myself. Laura Lee was a very good Catholic and woman. She will be sorely missed by her parish family here in Manistique. May she rest in eternal peace in God's Kingdom...
