“ *Hi Todd,  
I just returned from a family graduation in North Carolina and just read from a classmate of Mary Jo's passing. I am so sorry for your loss. I remember many times talking and sharing with Mary Jo in high school. She was in the class ahead of me. I have fond memories of her sharing her growing up and her dreams. You were such a part of her dreams! And Mary Jo's guitar was simply a part of her in high school.*

*My deepest sympathy to you and the family, since I missed joining you in person.*

“ *Mary Jo was my high school classmate at Holy Family for four years and my college roommate for our first semester at Silver Lake College. She was one of our guitar players that could make our spirits soar! As her roommate, I truly appreciated her bright, quick wit and her devotion to music. As I would be doing deviations in Calculus, she would be practicing her scales on all of her imaginary instruments that she mastered. All of the French I know is from quizzing her for exams, and always think of her when I encounter a French phrase. She was a Great Shepherd when it can time to gather our Class of 1971 together whenever we could. I hurt for all who knew and loved Mary Jo, especially Todd and Joanie Kellner. I regret I will not be able to attend her services; I am helping with a funeral of a church friend that I lost on the same day. Huge heart hugs to all!*

*I loved that Mary Jo remembered me after the many years away from Holy Family Academy and my sojourn in Florida, I don't know how she found me at Felician Village. But- find me she did--for lunch dates, and a memory visit to the Academy to see our classroom and the Sisters there. Being with her was a privilege and I'll always be thankful for her.*

*Todd, our most sincere condolences! I worked with Mary Jo at Glenbrook School in Pulaski. She had our kids in class and they always enjoyed her approach to teaching music. Mary Jo also made me aware of the St. Patrick's School and church celebration in Maple Grove. What a fun time that was for my dad and his brothers! We had close family from that community. Mary Jo kept me up-to-date with news letters and tidbits regarding what was happening there. Our thoughts and prayers are with you and Mary Jo!*
