

## Michael P. Dayton

December 16, 1970 - July 17, 2020

Michael P. Dayton, 49, Green Bay, passed away on Friday, July 17, 2020 from illness caused by COVID-19. Michael was born on December 16, 1970 in Agra, India, the son of Philip and Audrey (Wilde) Dayton. When he was very young his family moved to Sydney, Australia, where he grew up. Michael worked as an auto-body technician in Australia, until he moved to Green Bay in 2013. Most recently he was employed by Wisconsin Converting, Inc. On February 8, 2014 he married Kathy Moens and they made many happy memories together. Michael enjoyed traveling with Kathy across the states and seeing everything for the first time. He loved cooking his native Indian dishes for family and friends, watching sports and movies, and working on cars.

Michael is survived by his loving wife Kathy, Kathy's daughter Allison Moens, and her children Brett and Carly; his siblings Maurice (Anita), Betha Veale (Tony), John (Stephanie), Arnold, Christopher, and Gerry (Nadia), and his mother's partner Garry, who all reside in Australia; sisters in-law Julie (Greg) Kimps, Sue (Tim) Kinney, and Kristy DeRosier (Joe Blise), and brothers in-law Don Moens and Bob Moens (Sherry Murray), all of Green Bay. He is further survived by his Auntie Marie and Uncle Christopher in Australia, and Uncle Ron in Phoenix AZ, and many nieces, nephews, cousins, and extended family and friends.

He was preceded in death by his parents, other Aunties and Uncles, and his in-laws Don and Margie Moens.

Due to the Coronavirus Pandemic, a private Mass of Christian Burial was held for the immediate family at St. Bernard Parish. The family would like to offer a special thank you to Dr. Manar Alshahrouri, the other doctors, and support staff at both St. Mary's and St. Vincent Hospitals for all of their loving care and concern. The past two months have been trying for all of us, and all of you made a difference.

“ *Dearest Kathy - We all share such wonderful memories of your  
visits with Michael to Phoenix. The whole Clarke family was struck  
by the love that you and Michael shared with each other - what a  
beautiful relationship you had. As Marcel Proust said, " It is better to  
have loved and lost than not to have loved at all." Michael was so  
lucky to have found love, as were you.*

*Michael remains with all of us in our hearts, though we saw him only  
a few times he impacted us all with his affection for our mother  
Philomena ( his aunt ) and for the interest that he showed in all of  
us, his American cousins. We are praying for you and for him and  
for all the family in Australia as well. May his soul rest in peace.*

*Sincerely,*

“ Dearest Michael. (The mechanic)  
I remember our first Christmas in Narumburn Australia at the age of about seven. We got our first bicycles as presents, we rode them around the block once and they fell apart and you trying to fix them before Aunty Marie got the wooden spoon and feather duster out. Nadia when she first met you and she kicked your butt at street fighter and you blamed it on the joystick LOL.  
God Belss you Michael.  
Say hello to Mum, Dad and all of our family who have passed on.  
Lots of love from Gerry and Nadia

You were always so quiet yet kind and strong. You helped everyone  
in need. Your Dad Philip who died when you were only four years

with you in Heaven, as well as Auntie Philomena who is also now in  
Heaven with you and who was so happy you and Kathy came to

*Michael*  
We all love and miss you very much. For a brother who was so shy, coming out of your shell, finding your true love and committing your life to Kathy earned you our deepest respect and admiration. You taught yourself life skills and to love unconditionally. Your willingness to give anything a go, help everyone- especially making my wife Anita feel welcome and loved will be cherished forever.  
Now you have left us to enjoy your Heavenly reward with our Lord Jesus and all the saints and Holy Spirit.  
We pray that wherever you are, you will be there for us.  
May God in the name of Jesus our Lord to bless your soul.  
Love  
Maurice and Anita.

“ A loving, generous and gentle brother that will be missed by all of us.

*Too many fond memories to list them all; some of them are:*

*Working on cars together, swapping cars, having lunch together, pizzas and conversations. I still maintain and drive one of his beloved cars and my garage is full of spare parts that he gave me.*

*Living with our family in Bondi, he nearly drowned but managed to pull through with the help from a surf lifesaver.*

*Whilst in Bondi, when he was very young; he bought himself a cheap old Postman's motorcycle; he was so excited that he wanted to show it to me and decided to ride it over to my apartment which was a couple of streets down the road from our family home. He managed to ride it over to show me but asked me to ride it back home because he was chucking wheelies on the way to my place and was shocked what the old bike could do. As a precaution, he wanted me to ride it home.*

*I used to take him to school everyday, cook for him and help him with his homework. He loved our mum, Gary, my wife and kids, all his siblings and relatives.*

*Dearest brother Michael; we will never forget you and thank you for sharing your life on earth with us.*

*Lots of love*

*John*

*Missing You Always*

*You never said I'm leaving You never said goodbye .  
You were gone before we knew it. And only God knows why .  
In life we loved you dearly In death we love you still,  
In our hearts we hold a place That only you can fill  
It brook our hearts to lose you But you didn't go alone  
Apart of us went with you the day God took you home. You will always  
be our Hero .*
