

Mr. Michael "Mike" G. Agamaite

January 22, 1963 - March 9, 2024

On Saturday, March 9th Michael Agamaite, 61, went to Heaven peacefully, where there's no shortage of late-night bowls of cereal and seats at the Piano Bar. He was known to many as Mike, but those who knew him best often referred to him as Aggy, CBN, the Piano Man, Dad and his favorite title of all, Grandpa.

He grew up in Duvall, WI and attended Luxemburg-Casco where he met his high school sweetheart, Diane. They would have been celebrating 40 years of marriage and laughs together this June. Together they enjoyed boating, going on vacations and working on the next new house project. In their earlier years, free time was spent at the softball fields, bowling lanes and many late nights and weekends camping with friends.

Mike had a long and rewarding career of 40 years at Green Bay Packaging. He worked with many colleagues that became dear friends. Mike was not only passionate about his job but admired by many in his field as a trusted colleague, mentor, and friend.

Whether it was another house project, enjoying an old fashioned on the deck (mixed with 14 ice cubes for the perfect pour) or games around the campfire, home was his favorite place to be. He loved nothing more than his crazy family all together and the grandkids and dogs running in the backyard.

He will be dearly missed by his wife, Diane; four children: Zak and Tiffany Agamaite, Brock and Nicole Agamaite, Lacey and Calvin Falk, and Brianna and Nate Vanden Busch; nine grandchildren, with hopefully more to come;

and many other family members, relatives and close friends who meant the world to him. He looked forward to a long-awaited hug from grandson, Connor, at the gates of Heaven.

To celebrate his life, family and friends may gather at Celebration Church (3475 Humboldt Road) on Saturday, March 16th. Visitation will be held from 10:00 a.m. to 12:00 p.m. with service to follow.

Heaven is richer to have him even though we are poorer down here without him. Instead of flowers and gifts, Mike would hope that you will do an unexpected and unsolicited act of kindness for someone in his name.

“ My sympathy to the family One of the good guys. I knew Mike well in Hlgh school. Played a lot of cards, did senior skip day together, and was in the ditch with him a couple times. Forever grateful, I knew the man. I heard from a reliable source, everybody at his workplace loved and appreciated him. His persona pops into my mind fairly frequently. Someone I will never forget. Always considered him a friend, like he was to so many others.

“ I enjoyed all our years working with Mike, playing sheepshead and Mike’s belly busting laughs. He will be missed and heaven gained a special guy. Diane and family, Betty and I give you our deepest sympathy, all of us need to cherish the fondest memories we had with Mike.

“ Diane & family - Lucy and I send our sincerest condolences. Although being his "boss" for a period of time, I preferred to consider him not only a co-worker but a true friend. We always tried to make work "fun" - and Mike excelled at that! I missed the "coin flips" once I retired. Taken far too young - again, our hearts go out to all of you.

“ We are so sorry for your loss. We knew Mike just a short time from the campground and he always had a smile to share. Our son, Lucas could often be heard singing “Mike and Diane” instead of “Jack and Diane”. The first thing Lucas did when we pulled into the campground was to see if Mike and Diane were there. We will miss him around the campground. We are truly blessed to have met both of them and have them part of our campground family. We wish his family God’s grace during this difficult time and the times to come. You will be in our thoughts and prayers.

Sincerely,

John, Lisa and Lucas Manke

“ My condolences to the Agamaite Family. I work for GBP Chicago division and got to meet Mike when we went to visit in July of 2022. He was a very nice person and welcomed us with open arms. He was very supportive when needing any help since I was new to the company. I hope your family finds peace and comfort at this sad time. He will be missed by many! RIP Mike

“ So, so sorry to hear of this, Diane & family. My heart goes out to you. I have a ton of memories, having grown up with Mike as a neighboring "Duvallian," going to the same church, going to CCD together, riding the bus to school. At our last reunion he reminded me of the time I kissed him on the bus in kindergarten...I think one of the Bertrand kids dared me. I missed his lips and got him in the eye. I guess that put ME down the wrong path...but at least he had the sense to figure that out with YOU, Diane!! I know he will be missed greatly...Love you all bunches...Cindy Engebose

“ So many great memories with Aggy...the one that stands out the most was during venison season at the Red Owl...seeing Aggy swing from the scale after devouring a few bottles of Asti Spumante as the season closed. Waking up Uncle Ernie yelling "Aggy's in the house! Hey!" Our sincere condolences to the family of Mike...truly an all around great guy..💕🙏
