

Michael Louis Slattebo

October 11, 1978 - May 5, 2018

Michael Slattebo, 39, passed away unexpectedly in a car accident on May 5, 2018. He was the beloved son of the Karen (Jennings) and David L. Slattebo; dear siblings of Elizabeth Platt, Millville Utah; Connor Cole (Jessie) Broken Arrow, Oklahoma; and Nicholas Slattebo (Cayla) Green Bay. He is survived by six nephews and one niece. Michael was born on October 11, 1978 in Cape Girardeau Missouri. Before moving to Green Bay in 1986, he lived in Cheboygan Michigan.

Michael was a graduate of Preble High School with a passion for anything aviation or in the sky, travel, weather, the northern lights, gaming, cooking and his dogs. He took his first airplane ride in a small airplane with his father as pilot and attended the Experimental Aircraft Association annual fly-in more than 30 times with that same pilot.

He loved the family annual Thanksgiving vacations to Baltimore, Maryland, because he got to visit the Washington DC monuments and in particular the Smithsonian Aerospace Museum. Family travels took him on extended outings driving from historic Plymouth Rock to the Golden Gate Bridge. Michael remembers being in Seattle Washington when 9/11 occurred. He traveled to central Illinois to see the recent full eclipse of the sun. In the kitchen, Michael was a not only a pizza artist but a creative chef who made delicious meals from ordinary ingredients and especially loved cooking for his parents.

Michael reached out to many friends on social media and would help those in

need. Michael was a kind and loving person and will be sorely missed by family and friends. To know him, was to love him.

We don't understand now God's plan for you Michael and why your light had to go out so soon.... It's never easy to say goodbye to our loved ones on this earthly voyage!! Just know you will be forever with us and all your memories will live on within us!!!!!!

A Memorial Service will be held on Friday, June 22, at 2:00 PM at The Church of Jesus Christ of Latter-Day Saints, 651 Pinehurst Ave. Green Bay.

In lieu of flowers, please consider a donation to the NEW Zoological Society.

“ *What a nice picture of Mike. This is how I remember him, what an amazing smile he had for everyone.*

I remember his art work and the amazing cartoons strip he would create.

He sure had a natural talent...

I remember the time he and Tony were on a scout sail boat adventure and they were left because they were not back in time. They were at a local restaurant eating and lost track of time. They had to wait a few hours on the dock in the dark until they were missed. The boat did come back and rescued them but they were two very scared scouts.

Our family loved having Mike in our home all of my kids loved him. Once out of the blue, Mike sent me a picture of our old Green Bay home and said how much he missed our family. That was such a sweet gesture!!

Mike thank you for loving our family.

Karen and Dave we love you.

“ I am terribly saddened to hear of Mike's passing. It's not only a loss for the Slattebo family, but for everyone who knew him. I've known Mike since working with him at Frank and Pat's and have fond memories making pizzas together. He always had such a unique sense of humor that I will greatly miss. Mike and his family will be in my thoughts and prayers.

“ Slattebo you're one of the smartest people I know. We go back many many years. There are so many memories. I remember we were called pizza artists by the one and only Michael Earl. I ended up walking the same high school halls with you. My greatest memory was just a few months ago I was in San Francisco you were in Green Bay and I was sending photos on Facebook and bringing you back down memory lane. You were so excited to get the photos. You told me how to find Adams house. It was a great day, it was like you were right there in SF with me. You told me about the San Francisco human feces map. I am sure going to miss our conversations my friend. Until we meet again R.I.P
