“ *My Aunt Pat was an amazing, energetic woman. She was always ready to go swimming with me at Shawano Lake, or horse back riding on the trails or at the stables where we took lessons together. My childhood was happy because of her. She always gave me a boost of confidence when I needed it. She was loving, nurturing, upbeat, and spiritual. I’m a better person because of her and I look forward to the moment we meet in heaven.* ”
