The family would like to offer their sincere gratitude and thanks to all the nurse and staff of the Aurora at Home Hospice Program for all of their loving care and compassion - your kindness will never be forgotten.

Also, a warm note of appreciation to Terri Schimmel for all of her assistance during this time and assisting Patty along her journey.

“It’s amazing how Patty & my life mirrored each other’s. Like Patty, I have always enjoyed having family over; they’re everything! I love to cook, love my job working with seniors & love my critters! I’ve been known to hug strangers too!

When I was young & growing into myself, Patty would tell me, “you’re so pretty & such a good girl”. I still remember that & visiting with cousin Wardie Jr. & my two handsome cousins, Kenny & Todd. Now as an adult, mom & growing into my senior years, my wish is to leave a legacy behind as Patty did. She allowed me the honor to show her some “family love” at the end of her life. I’ll treasure that. Rest with God cousin.
