Paul M. Kapla, 71, Green Bay died unexpectedly On Thursday, October 28, 2010 at Ashwaubenon Bowling Lanes doing what he loved best. On June 27, 1964 he married the former Mary Daleiden at Annunciation Catholic Church. Paul's greatest passion and joy in life was bowling as he had a genuine love of the game and his biggest accomplishment was his 300 game! Outside of bowling, he found the time to create and maintain a picturesque backyard that was enjoyed by wildlife especially the squirrels and birds of which he made sure that they were well fed. Paul was an avid Packer fan and found watching the game from his home much more enjoyable. Along with his son Paul, he was a Ford Man and frequently donned hats and jackets to show his allegiance to what he thought were the best cars and trucks on the road. Paul and Mary loved to go for car rides and it never ceased to amaze them of all the goings on in the city of Green Bay and they enjoyed venturing across the state on "mini vacations". Paul's single and greatest joy in life was his family- he always made sure that before his head rested on his pillow at night his family especially his loving wife was taken care of.
