“ My sympathy to your family at your loss. The newspaper obituary was shared to me by my sister Barb. Ralph was my Godfather and younger brother of my father. Looking at the picture I see my father's eyes and his facial features are so similar to Chuck the youngest brother in the family; they could have passed for twins despite a distance in age.

*Children, grandchildren and great-grandson, time in AZ out of WI winter--- sounds like a very blessed life. May happy memories dwell in your hearts.*

*I will always be appreciative for his help in my taking over the "A"'s Little League Team many years ago. Peace to your family.*
