“ To the family of Dick Dohnal. We both send our sincerest condolences to each member of the Dohnal Family. Over the past 65 years, Dick has been a best friend, classmate, team member, and overall just a great person to know. We shared many good times and some sad times over the years, but Dick always seemed to see the future in a positive way. We will miss his Czech response to "how are you"? "Dupshae" We also will never forget that we share the same wedding anniversary date--except our wedding occurred five years later than Dick and Karen's. Good times began on August 7th in both of our families. Today, we pray that the good Lord will make sure "the perpetual light of Heaven shines upon him".

Friends forever,

Victor and Kathryn Kapinos
