

## Ricky Ramon Donald Fonseca

June 27, 2018 - June 7, 2019

Ricky Ramon Donald Fonseca, a fun loving little boy with chubby cheeks and a butt to match, was taken way to soon due to a tragic house fire. Little Ricky was born on June 27, 2018 in Green Bay the son of Jean Fonseca and Gabriel Juarez.

We want to remember the good things of when he was here with us. (aunt of ricky) I for one would love to remember the first time I held him in my arms it was like my world was complete and I will never forget that feeling, or when the first time he gave me his biggest smile I could remember that day like it was yesterday I was playing peek-a-boo with him in a blanket and him on my lap when he was 4 maybe 5 months old at that time and I just could not stop thinking about how big his smile was and how happy he was with me. I will never forget the good times I had with him and all the laughs we had together and how we watched episodes of Sesame Street, Dinosaur Train and Wild Kratts and how we would listen to music and just dance to it. Ricky really was a happy baby and he always will be our happy baby. Not only was he a happy baby but he was also a big boy growing up so fast having already five teeth and we all know that he loved his food. I remember the times I would feed him and he would get so mad when I didn't have the next spoon full of food waiting for him. The look I would get from him would be soooo cute but sometimes if I was to slow with him he would do his little fake cry. I still love him with the fact I had the chance to do things like that with him.

Ricky is survived by his mother, Jean Fonseca and his father Gabriel Juarez, his maternal grandmother Jennifer Fonseca, his maternal grandfather Vincent Fonseca, His paternal grandmother Priscilla Davila, his paternal grandfather Roberto Juarez, 10 Aunts and 2 Uncles.

He was preceded in death by a great-great-grandmother Flora Radmer, 2 great-great-grandfathers Donald Beechtree and Ramon Benavidez, and 1 great-great cousin Richard "Ricky" Leintz.
