

Sharon A. Davis

July 16, 1948 - June 2, 2020

Sharon (Mauritz) Davis of Green Bay, gained her angel wings June 2, 2020, at home surrounded by her family. She was born in Neenah, Wisconsin to the late Mildred and Lawrence Mauritz. Sharon was 71 years old.

Sharon grew up by Chute Pond and went to Suring High School. She loved to dance and won many dance contests. When she moved to Green Bay, she attended cosmetology school, working as a beautician until she had children. Throughout her life, she always took pride in how she looked, making sure her hair and makeup were done. She loved to wear nice clothes. When Brenda was older, Sharon went back to school to get her LPN degree. She worked at Odd Fellows Nursing Home, Woodside Lutheran Nursing Home and Home Instead throughout her nursing career. She was passionate about being a caregiver, showing great compassion and love to her clients. Most recently, Sharon volunteered at St. John Paul II Classical School. This brought her so much joy.

Sharon's delight was her family and chosen family. She was a mother to many. She lived her whole life for others, putting their needs before hers. She always wanted to help people, especially in times of need. Sharon lit up a room with her smile and sense of humor, sharing her love. She carried with her a positive attitude and a prolonged fighting spirit. She was an excellent cook. She loved to cook for her family, especially when everyone gathered for a holiday.

Sharon wanted to honor her daughter, Brenda, for always being by her side

throughout her life. Brenda loved to spend time with her mother. They had many laughs, shared many memories, and most of all cherished their time together. Sharon was blessed when Brenda met her husband Kevin. She loved how much he adored her daughter and completed her. Her pride and joy were her grandchildren, Steven and Serena. She had a special way of guiding them, always wanting to point them in the right direction in life. She was always so good to them and was known from time to time to be a little mischievous with them. Sharon was blessed this last December to go to Branson with Brenda. This was one of her bucket list items. They created many new memories that will forever live on.

Sharon is preceded in death by her parents and her brother, Larry Mauritz. She is survived by her daughter and son-in-law Brenda and Kevin Devroy, her beloved grandson, Steven Siudzinski, her beautiful granddaughter, Serena Siudzinski, and step-granddaughter Karissa Devroy. She is also survived by her dog, Cocoa, who remained by her side till the end. She had three precious friends the family would like to thank for their grace, kindness and friendship that helped her in her time of need: Pat Wery, Jeanne Hagenow and Laura Pelkin. She also enjoyed going to see Daddy D Productions and Let Me Be Frank shows.

The family would like to thank Dr. Patel, Kendra Campbell, the staff at Aurora Vince Lombardi Cancer Clinic, and Aurora Hospice for their knowledge and compassion while taking care of Sharon. The family would also like to thank Lorena for her kindness and helpfulness and the families of Saint John Paul II for their support and prayers, especially Alex Wolf who showed compassion to Sharon.

With safety in mind for family and friends, Sharon's family will hold a celebration of life at a later date.

“ Brenda,
My memories go back to meeting Sharon at the Mountain Fireman’s Fish-O-Rama on Chute Pond. As time and distance grew, our meetings were finally down to once a year during the summer when a mutual friend from Florida would return to the north for the summer. Even though I was a year behind her in school I did get the opportunity to chat with her at her 50th high school class reunion. She was a good person and friend with a great smile and laugh. If possible when you have a date for her celebration of life I would love to attend. My email is cattabar@yahoo.com as I’m not sure how friends will know the date. You and your family have my sympathy and prayers. God gives us memories so someday we can smile and laugh again remembering those special times. Chique Tousey-Tabar

“ Dear Brenda and family of Sharon Mauritz Davis, I have so many wonderful memories of Sharon as we were close friends from the time she moved up to the Mountain area. As teen-agers we used to go swimming at Chute Lake and I remember of going out on the boat on Chute Lake. We had lots of talky sleep-overs, and then when we were out of Mountain, we ended up living near each other when we were young mothers living in Green Bay. I remember of babysitting Brenda and Sharon babysitting my daughter, Mindy. We talked a lot and shared many problems and joys with each other. I always loved her laugh and her maturity about life events and people. Eventually I moved to a different part of town and unfortunately we rarely saw each other. I was so happy to see her at our 50th. class reunion. Sharon was beautiful inside and out and I wish we had gotten together after the reunion. She will always be in my heart and I am sending love and blessings to all of you. I know we will see each other again when our lives are past. Take care and God Bless you; Gwen Coleman Tatera
