

Mr. Shawn T. Harrington

February 9, 2001 - July 3, 2021

Shawn T. Harrington, 20, De Pere, passed away on Saturday, July 3, 2021 and is finally free from addictions that he struggled to break. Shawn was born on February 9, 2001 in Annapolis, MD, the beloved son of Melissa Mydlo and Thomas Harrington. He was a graduate of West De Pere High School. Shawn enjoyed traveling and especially loved spending time outdoors enjoying the beauty of nature. He was smart, quick witted and was always up for a good debate. Shawn recently took an interest in woodworking and was looking forward to starting projects. He had a soft spot for all animals and never met one that he wouldn't try to cuddle. Shawn loved fine dining and was a good cook himself. He was a music lover, always blasting the radio and changing the channels to find the perfect mix. Shawn had an adventurous spirit, and was willing to try anything.

Shawn is survived by his mother and step-father: Melissa and David Mydlo, De Pere; his father: Thomas Harrington, East Hampton, MA; a brother: Max Mydlo. He is also survived by other extended family.

He was preceded in death by a special uncle: Edward Harrington.

In accordance with Shawn's request no funeral will be held. Instead, he wished to be scattered in the Colorado Rockies, where he found peace with God when he visited last year.

In lieu of flowers or memorial gifts, the family requests contributions made in Shawn's honor to Rawhide Boys Ranch, New London, WI, or the charity of your choice.

Tribute Wall

“ You told me, just weeks before you left this realm, how myself and my fiancé were some of your good friends. You told me thank you for helping your loneliness, it's taken too long to post something here for you. Please know you are loved still and I think about you so often. Fly high and rest easy dude.

“ I had the privilege of getting to know you a couple years back. Took me a while to grow the balls to even write something here. Still having issues believing you're gone. You're no joke, the smartest human being I've ever come across. And I wish you used your insane intellectual ability on the right things, regardless you did amazing things for a bunch of people. Just wanted you to know I think about you every single day, and I probably always will. Left ya mark on me buddy. I love you ❤️

“ The last time I had the pleasure of seeing Shawn was at my family Christmas. I'm so thankful to have such a wonderful memory of his glowing smile. He always lit the room up and I'm so thankful for the love he showed my sister while they dated. He will forever be in our hearts and thoughts. I'm deeply sorry for your loss.

“ I had Shaun in class his senior year and I knew he had battled demons, but I really knew him to be a funny, super smart, quick-witted guy who was respectful and kind. I am so, so sad to read this news. Thinking of you, his family & friends.
