“ Mom, it is almost 12 years since you left! I cannot believe the time that has gone by. I hope you can see how amazing Leslie Jo is doing and how great of a father Quentin is to Bentley. You would absolutely adore Bentley! I talk about you to him. He comes with us to put flowers on the graves in Mercer. Being an only child is tough when your mom is gone and especially when both parents have gone. There is not a day that goes by that I do not think of you. I am glad Hansen's keeps this page so I can talk to you....I love you and miss you soooo much!
