“ I just learned of Terrys passing tonite. My sympathy to all she left behind. I got to know Terry when she was recovering and needed a little extra help many years ago. Her kind words and smile for others always hid her pain. She took care of me, as much as I took care of her! We kept in touch via txt over the years,not often enough. Always finding the good in everyone. Terry my friend, Rest in Peace,

“ What can I say about my sweet friend. We worked together when she lived in Iowa about 13 years ago. We have always stayed in touch. When we took my oldest to La Crosse for asthma treatments.. We always tried to meet up. She was the 1 who got me through my "first time mommy" moments. Always willing to lend a hand or advice. She always made time to visit here when she came back to the area. This woman was dearly loved by my family and though it pains me to hear this news. I also know she is finally at peace. No more complications or hospital stays. However I will miss her every day. My love to Roger and all of her family. Love Jess and Rob Hartman. Rest easy my friend.
