“ Tracey ... 15 years of Pet Therapy at Aurora BayCare with you at the helm of that program. You were always there for me, my dogs and other volunteers in the program.

You were so supportive when I struggled with the losses of 4 of my Therapy Dogs and then my husband.

You were helped me get back on track every time.

We talked about cats and dogs, treats for animals, boating that you loved on the bay.

Cancer sucks, and it was just proven again!

Never forgotten, ever, Tracey.

“ *There was and will never be a more caring and compassionate woman. Even with her health struggles she was there to help us out with our health journey. We saw her last Friday and had an amazing time. Tracey and Grant were a great couple loving each other endlessly. I know that her positively is now out in the universe watching out for all of us. Rest in peace dear friend!*
