“ To Nicole and Alan Georgia, Alana, and Alliah, my prayers and condolences. There comes a time when bright light are dimmed, but only for a while...they then appear as stars in heaven. Your light will always shine brightly with the memories and love which have been left with your family. Your life is now at peace. To your family, may their grief be borne in sweetness for when you were with them. I know how they cared. I knew you mostly through your Mom, Nicole. I know what they bear. Peace to all of you.

“ Tricia was like a second daughter to me. When she lived on East River Dr with my daughter she would come to my house talking, laughing and watching movies. She brought joy to everyone she met. I will miss her terribly. Rest in peace lovely lady.
