“ On behalf of the volunteer drivers for Curative Connections, our deepest sympathies are extended to the family and friends of "Bill". We thoroughly enjoyed our time spent with him. Although a quiet man, he was respected and always said, "Thank you!" Please know that all of "Bill's" finest qualities will Live-On with all who knew and loved him.

“ Dear Sandra, so sorry to learn of Bill's passing. As the load officer for the 432nd's deployment to the Gulf war, Bill went above and beyond coordinating with the air force on the movement of all unit equipment and personnel, crunching lots of numbers. His contributions to youth soccer in GB helped introduce this sport to our children and thousands of others and remain part of his wonderful legacy. May a smile cross the hearts of all of Bill's loved ones at this difficult time as you share great memories.
