“ To Mike and Lynn, and to your siblings and their families, and all of Bill's grandchildren: Please accept my condolences on the loss of your father/father-in-law/grandpa Bill, and may you find comfort and solace in the days ahead. I always remember when you and my son Mark played basketball at Southwest, and all of us parents would get together in support of your team, at various houses! I also remember, Mike, how you personally came to my wife Karen's celebration of life, and I really appreciated that, and I'm sure Mark did, as well!
